Een uil!

A colorful illustration of a forest scene. On the left, a large tree with a thick brown trunk and a full, rounded canopy of light green leaves stands prominently. To its right, a taller, thinner tree with a brown trunk and a few dark green, pointed branches reaches upwards. In the foreground, there are several bushes and smaller trees in various shades of green and teal. A small, light brown fox is partially visible, nestled among the bushes on the right side of the image. The ground is depicted with simple, sketchy lines and light green washes, suggesting grass and forest floor. The overall style is that of a children's book illustration, with bold outlines and flat colors.
